

BINGO for KIDS Grades 3-5*

B (Be Creative)	I (I Can Do This - Building Independence**)	N (NOTHING but ideas to get you started)	G (Get Ready, Get Set, GO!)	O (Own Your Learning!)
Have an outdoor tree decorating contest with your neighbors	Learn how to do dishes & clean up after dinner	Do...something outside with sticks	Walk your neighborhood & look @ your neighbor's decorated trees	Challenge yourself to read something new. Download an eBook or read a book that is not something you'd usually read. If you like fiction, read a biography or another type of non-fiction book.
Have a family member trace your outline in chalk on your driveway or sidewalk & create a self portrait!	Organize your closet or your dresser	Do...something with paper	Create a sidewalk long jump out of sidewalk chalk! Grab a measuring tape & mark feet (up to 12!) Jump from a set line or do a running jump.	From the sidewalk long jump: Figure out the difference in feet between jumping from the set line or doing a running jump
Learn how to make a friendship bracelet. If you already know how, learn how to make a new style of friendship bracelet!	Create a map showing how to get from your school to your house	FREE	Play Knock-Out on a basketball court	Research 1 job you're interested in - Why do you like it? What kind of education is needed to do that job? Present this information to your parents.
Create your own String Art! Get a piece of cardboard and lightly sketch a pattern for your design. Squirt glue along the major lines of your design. Lay the string on the glue. Let the yarn come to the edge of the paper. Continue gluing string to follow the lines of the design. You may want to leave some areas open for the background color to show through.	Learn how to make a simple dessert with a parent	Do...something with acorns or pinecones	Play an old game called "StinkFish" - go on a walk & try not to step on any cracks or sidewalk squares with stamps or markings. Keep track of how many you step on - whoever has the least @ the end of the walk wins!	While you're on a walk, make note of 3 different birds you see or hear. When you get home, research them & identify what kind of bird they are. The next time you're out, look for 3 different birds & do the same thing again!
Patriotic Paintings - Cut any shape you feel like out of white paper. Paint your shape a bright & bold red-white- & blue design using stars & stripes!	Learn how to shake an adult's hand with confidence	Do...something outside with stones or pebbles	Hula Hoop or Jump Rope!	Learn about the history or your house or neighborhood. When was it built? Who & why was it built? Put this into a presentation to share with your parents. Use your local online historical society information or other online sources for research!

**Each child is unique, so the grades listed should only be used as a guide. Some children may be able to do certain things at younger ages, while others may not be ready to do them until they are a bit older. Parents should use their discretion.*
