

## BINGO for Grades 6-8\*

<b>B</b> (Be Creative)	<b>I</b> (I Can Do This - Building Independence**)	<b>N</b> (NOTHING but ideas to get you started)	<b>G</b> (Get Ready, Get Set, GO!)	<b>O</b> (Own Your Learning!)
Create a tin foil sculpture	Deep clean your room and make a pile of items/clothes to donate	Do...something with a handful of buttons	Go on a walk	Write a letter to a family member
Complete a crumpled paper painting	Get caught up on your laundry (and put it away)! :)	Do...something with crayons	Play 4-Square	Mental math: Learn how to figure the tip on a restaurant bill without using your phone or a calculator
Create a collage out of old magazines or newspapers	Mow the yard or do one task outside to help your family	<b>FREE</b>	Play HORSE or PIG	Research a topic of interest to you. Put what you learned into a Powerpoint. Present it to your family or your friends via FaceTime
Make a friendship bracelet	Plan & prepare a meal together with your family	Do...something with rubber bands	Create an obstacle course in your backyard	Find a book, magazine or newspaper to read over a subject that interests you
Collect pine cones outside and create pine cone ornaments for next Christmas	Your Choice: _____	Do...something with clothespins	Try a new activity like jump rope, yoga, or something of your choice!	Journal

*\*Each child is unique, so the grades listed should only be used as a guide. Some children may be able to do certain things at younger ages, while others may not be ready to do them until they are a bit older. Parents should use your discretion.*
