

BINGO for KIDS Grades K-2 *

B (Be Creative)	I (I Can Do This - Building Independence **)	N (NOTHING but ideas to get you started)	G (Get Ready, Get Set, GO!)	O (Own Your Learning!)
Make a gratitude tree, using the branch you picked up on your walk. Decorate it by writing down what you're thankful for & hanging them on your tree. Put your tree in a glass or vase to stand up.	Sort your laundry	Do...something with a handful of buttons	Go on a nature walk & pick up a small tree branch to decorate	Pick up 3 different leaves on your nature walk and when you get home Google them to find out what kind of tree they're from
On white paper, trace the leaves you picked up on your nature walk and decorate them any way you want!	Make & clean up your own _____ (breakfast, lunch, snack, etc.)	Do...something with string	Create & play Hopscotch	Create a math Hopscotch
Create spooky slime	Complete 1 yard chore with a family member	FREE	Shoot baskets, goals, or play catch	Write a note to your mom or dad. Tell them 3 things you like about them
Create a sculpture out of marshmallows & stick pretzels. Think about it like "Tinker Toys."	Help set the dinner table	Do...something with pillows	Do "animal yoga" after reading "Zoo Zen" and creating your own poses	Read/listen to "Zoo Zen" & complete the yoga worksheet with your own animal poses
Make a cereal box house!	Create a mini "car wash." Wash your toy cars or other washable toy items in your kitchen sink with soap & water!	Do...something with masking tape or blue painter's tape	Create a disco at your house! Put on some Bee Gees, turn on a disco ball (or flash lights) and have a disco dance party!	Start reading your favorite book w/ your mom or dad. When you get to a key point in the action, you create the rest of the story with a new twist!

**Each child is unique, so the grades listed should only be used as a guide. Some children may be able to do certain things at younger ages, while others may not be ready to do them until they are a bit older. Parents should use your discretion.*
